

# Faith Community Nursing

**W**e want to thank Sam Salerno, RN, for arranging the Bloodmobile Day at Cypress Church last October. Many thanks to those who donated blood, as well. We look forward to repeating this periodically, as it is a visible and tangible way to reach out to our community. If you have questions about medications you take, or symptoms which puzzle you, or you need suggestions for medical/healthcare resources -- please stop at the FCN office (which we share with the Ushers)

## nurse's office open sundays

between Sunday services. Or you may call either of your FCNs: Margie Denner at 659-5179, or Beth Storey at 657-4167. We also check blood pressures on Sundays, in the office. See you there!

## Special Reports

### Senior Pastor Search Committee

**F**or the past seven months, our search committee has been steadily working its way through a process that we believe will ultimately identify the man God has chosen to be our next senior pastor. We have talked and met with several applicants. Some people we wanted to know more about and we invited them to visit Cypress, and some have preached here over the past several months.

Unlike the last time we searched for a new senior pastor and called Steve Johnson, we are not using a professional search firm. This time we determined to use our own resources. This means that instead of depending on a search firm to identify a single candidate, we are looking at, meeting, talking with and evaluating many applicants.

The Ministry Leadership Board (MLB) asked the search committee to ultimately present more than one senior pastor candidate to the board. The MLB will then conduct further and final evaluations and, we trust, select our next senior pastor to present to the congregation.

Our work effort has been considerable and it has been richly rewarding. The committee should complete its assignment and present the recommended names to the MLB within the next 45 days. We ask for your continued prayers for this process and for the person God has already selected to join the Cypress family.

Your Senior Pastor Search Committee:  
 Mike Armstrong                      Rich Hodur  
 Kristin McCullough                Chris Martin  
 Jeanie Walls                            Bob Bush

### We've come a long way since breaking ground

**C**onstruction on our new driveway alignment with Highway 68 has been progressing with success. CalTrans was considering a redesign of the project that would eliminate the retaining wall on Hwy 68...which has been approved! As a result, we are saving \$280,000. We just received the stamped Permit Rider and Plans from Caltrans! Our Permit has been extended to July 26th! Work can begin again when rain and temperatures give us a window of opportunity!

Jim Campbell is getting in touch with Don Chapin, our construction company. Many thanks to Jim Campbell who has volunteered much time on the special project; and thanks be to God for His many blessings bestowed upon Cypress Community Church!

### Road Project Update
